No-cost Training

Receive hands-on learning and mentorship to prepare for the job, industry-recognized certifications (paid for by us), and your career.

Dedicated Career Coaches + Learner Support

20% of our curriculum focuses on Professional Development with opportunities for mock interviews, resume refreshes, and other Job Search prep support with opportunities for one-on-one coaching now and after you graduate.

Our learners also work with the Learner Support team to gain financial control and design success plans for personal goals, wellness and more.

Job Connections

Learners are connected to a network of 25k+ alumni and 850+ employer partners across the country.

"I am currently employed and it is a direct result of Per Scholas. I was just offered a promotion from intern to Engineer. That's what I love about tech in general - it's the unlimited potential for growth."
