Newsletter #1 : Support the Queens High School Presidents' Council!

Dear Queens High School Presidents' Council Members,

We hope this message finds you well! As we continue to work together to strengthen our school communities, we are excited to share an important opportunity to support the **Queens High School Presidents' Council (QHSPC)**. Your contributions will directly impact the success of our parent leaders and, ultimately, our students.

Our Goal: Donate Membership Dues to Support Critical Initiatives

The QHSPC is raising funds to host a series of **trainings and workshops** designed to empower parent leaders with the tools and knowledge they need to succeed. These initiatives will focus on:

1. **Guidance on DOE Policies:** Helping parents navigate and understand Department of Education policies that impact their children's education.
2. **Fundraising Strategies:** Equipping parent leaders with effective fundraising techniques to support school programs and activities.
3. **Increasing Parent Engagement:** Providing strategies to foster greater involvement and collaboration among parents, schools, and the community.

In addition to these workshops, the funds will support an **end-of-year mixer** for outgoing and newly elected parent leaders. This event will celebrate the hard work of our dedicated leaders and provide an opportunity for networking and knowledge-sharing.

Why Your Support Matters

By donating your membership dues, you are investing in the success of our schools and the future of our students. Your contributions will ensure that parent leaders have the resources they need to advocate effectively, engage their communities, and create a positive impact.

How You Can Help

1. **Donate Your Membership Dues:** Suggested donation, **\$25**. Every contribution, no matter the size, makes a difference.
2. **Attend the Events:** Join us for the workshops and the end-of-year mixer to connect with other parents and leaders.
